

The Chicago Area Polymer Clay Guild is dedicated to the study, promotion, discussion and exchange of information on polymer clay and its evolving role in both arts and crafts. Our goal is to educate our members and the general public about the artistic importance of polymer clay and to encourage celebration of its amazing, creative versatility. Adults (18 and over) of all skill levels are welcome.

What is Polymer Clay?

Polymer clay is a versatile modeling material that is readily available and comes in many colors. It is lightweight, durable, and cures in a household oven. Artists and craftspeople use this material to create a wide variety of projects, from jewelry to sculpture to home décor items.

Membership Benefits

- Fellowship with other polymer clay enthusiasts.
- Monthly meetings feature demos, lectures, and member show-and-tell.
- Access to the Guild's library of videos, books, magazines, and tools

CAPCG Activities

- Workshops taught by professional artists.
- Annual 4-day retreat held in Oregon, IL in the fall.
- Clay play days – one day get-togethers where members meet to socialize, work on projects, and learn from one another.

Meeting Dates and Location

Meetings are held on the third Wednesday of the month. See the website for details.

Membership Dues

Dues are \$25 per year. (March 1 to February 28)
